

SACRED HEART
GIRLS' COLLEGE OAKLEIGH

Christopher Dalton

Congratulations to the Sacred Heart Girls' College Graduating Class of 2023

The effort, perseverance and community-mindedness of our graduating Class of 2023 have made them worthy role models for every student at Sacred Heart Girls' College and so it is with great pride that I share their excellent VCE results.

Our College dux is Natalie Chan with an ATAR of 99.55. Perfect study scores were achieved by five students and the median ATAR was 80.0, meaning that 50% of our students were ranked in the top 20% of the state.

Education is a partnership and so I acknowledge and extend my thanks to their families and teachers who have supported them throughout their time with us.

Along with the entire College community, I congratulate the Class of 2023 and wish them every blessing as they move through life. We are proud of each of you and know that you will always strive upwards.

Christopher Dalton
Principal,
